KEY LEARNINGS FROM THE PROGRAM:

- How can HR transform the 3 elements of business – People, Process, Policies using Finance during the lockdown? How to avoid running out of Cashflows?
- The Work From Home (WFM) policies and financial impact of the same on business and people
- What can you do to survive such a unknown event anytime in the future? – Financial Disaster Recovery Planning for HR Leaders
- How to effectively conserve people and use cash during this time?
- Taking stock of your hiring, retention and compensation numbers in your businesses
- The Triple Bottom Line – the new way your business should work on
- Managing transitions and upskilling people for newer roles
- If you have excessive manpower, what should you do with that?
